Your Honor,

5/16/2023

I Montae D. Jacobs indicted on Case No. 22-CR-91, am requesting to waive my state custody to federal custody for several valid reasons.

At Stanley Correctional Institution I cannot consistently follow up on my legal matters, due to shortage of staff, which causes limited program time, limited movement; limited phone calls (200 minutes per week); also I only have had once chance to view the latest discoveries submitted; I didn't even ~~with~~ ^{view} it because I didn't have the password.

I notified my lawyer Eric Hart that I wanted to be waived for about a month! Thank You for your time, be safe; God Bless You.

Honestly,
